Philosophy of the Course

TRAIL is a dynamic cross sector program for emerging leaders. The educational philosophy embraces outdoor experiences and deliberately challenges leaders to confront their beliefs and thinking about leadership.

The sessions are experiential and provide constant changing focus on real world scenarios through active outdoor activities, group discussion, effective problem solving and critical thinking exercises with post course masterminding learning activities.

Investment

The TSRA is sponsoring four places on the 2022 TRAIL program for Torres Strait Islander or Aboriginal residents of the Torres Strait region and the Northern Peninsula Area communities of Bamaga and Seisia. The TSRA sponsorship will cover the full cost of the program, accommodation as well as return travel from your community.
